foreword

WE, THE annual woodcutters have fashioned this BACKLOG for the hearth-fire of your memory, that it may ever keep aglow your days and ways at LIPSCOMB. The flaming fagots of the present year have dropped one by one into the ashes of the past, but may their light and warmth come to you again and again in the friendly glow of your BACKLOG.

S. P. PITTMAN

dedication

TO ONE from whose humble lips fall truths so profound and yet so simple, who is a Bible scholar of the first order, untouched by illiberality, egotism or partisanship, who is first in LIPSCOMB hearts and second to none in service to the school----to our own Brother S. P. Pittman we dedicate our 1938 BACKLOG.

Give honor to whom honor is due, and to our Board of Directors we pay our respects and tribute. It is said that the busiest men are those who have more time for extra work, and this is true of the David Lipscomb College Board of Directors.

Our Board is composed of some of the State's most prominent business men: A. M. Burton, president of Life and Casualty Insurance Company; E. K. Hardison, head of Hardison Seed Company; M. N. Young, of Young and Company; O. A. Crisman, head of Stovall Hardware Company, Chattanooga, Tenn.; W. B. Jordan, president of the Smyrna Lumber Company, Smyrna, Tenn.; C. H. Williams, of Central Manufacturing Company; H. R. Leathers, of Leathers Manufacturing Company, Dickson, Tenn.; F. L. Williams, formerly with Williams Printing Company, now treasurer of David Lipscomb College; H. Leo Boles, former president of David Lipscomb College and staff member of the Gospel Advocate; S. H. Hall, evangelist and writer for the Gospel Advocate.

OUR PRESIDENT

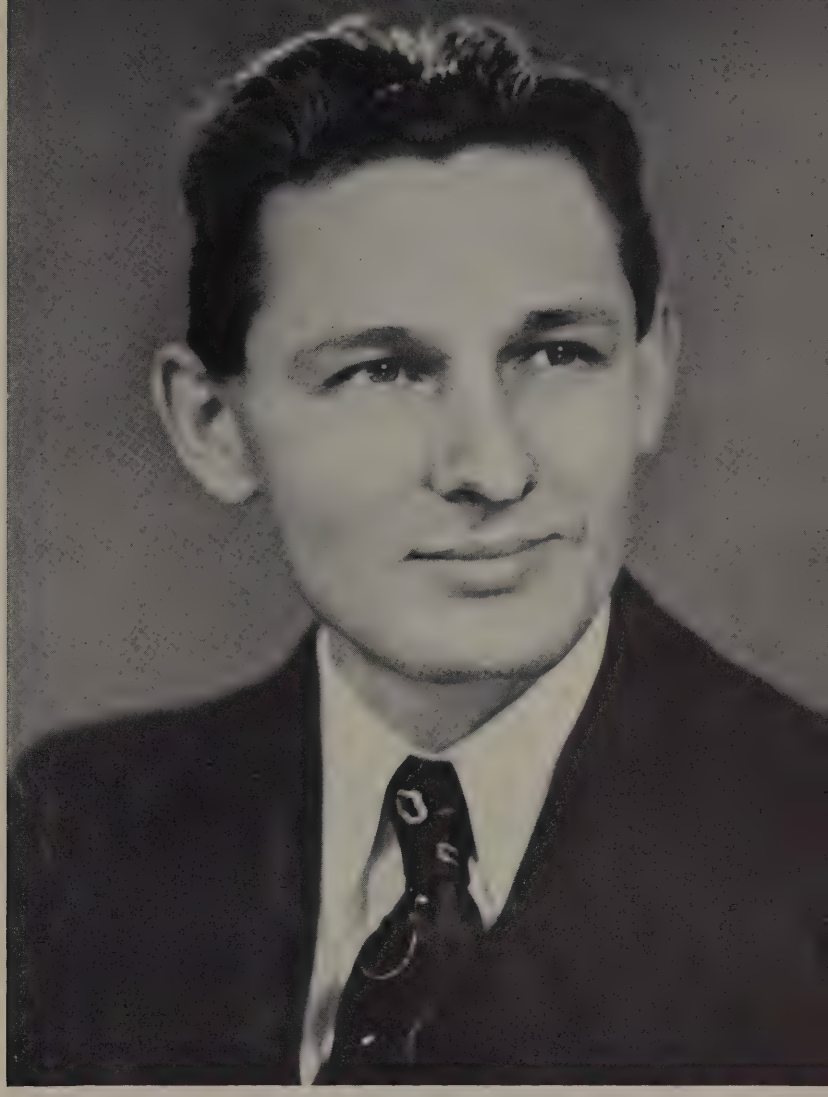

E. H. IJAMS

Without the BACKLOG David Lipscomb College would be different—regrettably different. Without the BACKLOG no suitable collection of pictures would be available for students and faculty. Without it time might erase all distinctions of events and classes. Guard your BACKLOG. It is a visible storehouse of memory's intangible treasures.

E. H. Ijams

OUR DEAN

N. L. PARKS

Time's mysterious hands have moved and 1938 is gone. And yet not really gone. It is now a part of our living past. From the pages of this BACKLOG 1938 faces will continue to smile. Our memories will treasure its deeds. May we rise through its mistakes and shape our lives by the good it has given us. Great '38!

DUE to their whole-heartedly cooperative spirit the senior class has been recipient of many favorable comments. As freshmen they inaugurated the successful temporary organization plan. This year with enthusiastic interest the Class of 1938 has cooperated to put over an unusual and worthy project, that of purchasing caps and gowns for Lipscomb's future graduating classes.

ALL THE way from Pennsylvania to Texas and from Florida to Colorado the members of the Class of '39 gathered to make this one of the largest and most successful freshman classes in Lipscomb's history.

The freshmen have supplied their quota in practically every field — their academic rating is superior; three-fourths of the Bison basketball squad was composed of freshmen; a freshman boy captured the Founder's Day Oratorical Contest. It is with little anxiety, then, that seniors leave their place to be carried on by you, Seniors of '39.

Dear [illegible],

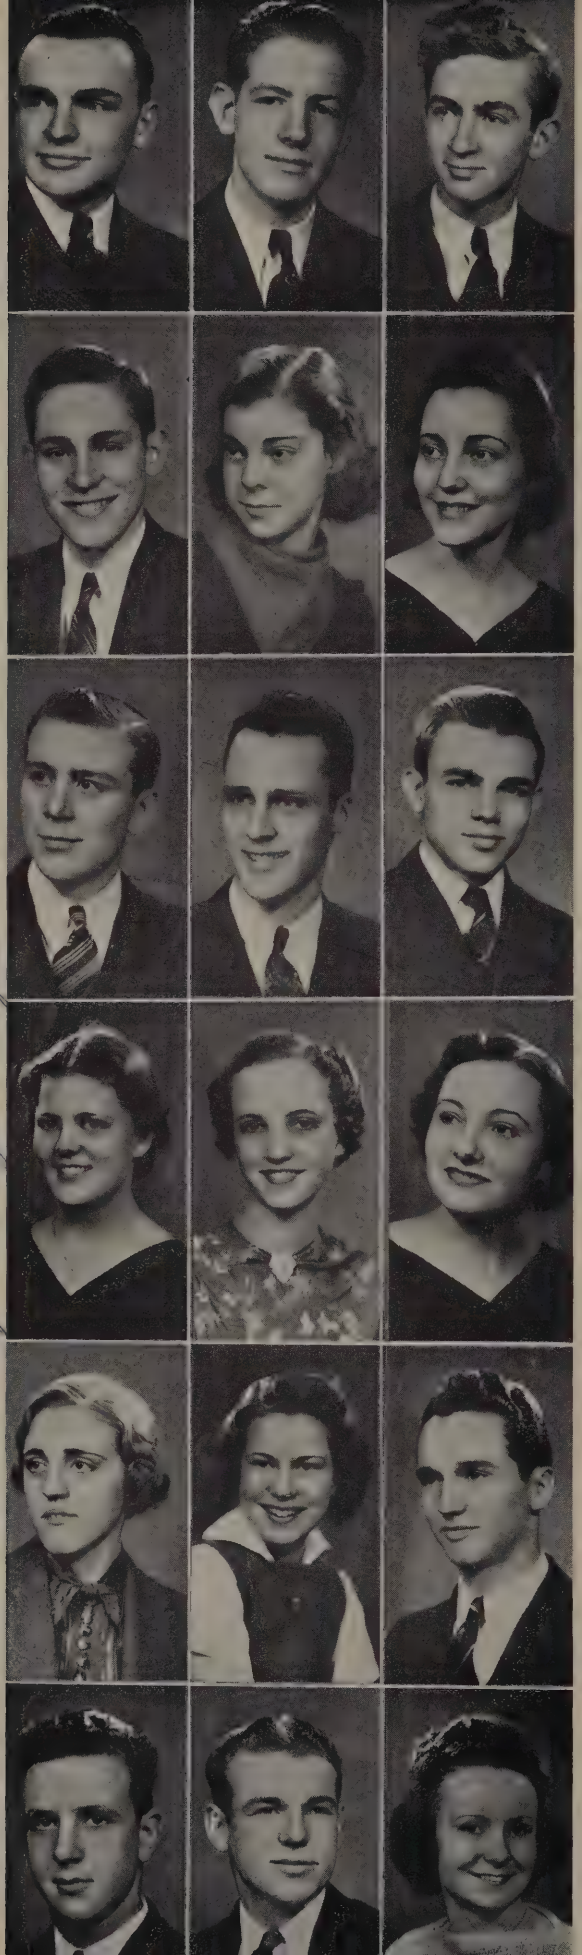

I certainly have enjoyed knowing you at Lipscomb. I have always thought of you as a Christian boy. Happy days.

Bisons on Hardwood

1938 Basketball Team Greatest in Lipscomb Intercollegiate History

Dash and spirit that surprised and delighted even the most exacting Lipscomb fans swept the Bison cagers to great heights in 1938 and enabled them to compile the best record since the college entered intercollegiate competition.

The Bisons stormed through a difficult schedule of twenty-one games, winning nine contests with senior college competition and piling up a total of fourteen victories. They were unable to defeat only three opponents. 933 points against 748 for the opposition discloses the power of their offense.

Nance's team with only three seniors on the squad first gave notice of their power by completely routing Murfreesboro teachers in mid-December. Nine consecutive victories were rolled up before the Bisons faltered. Lack of seasoning and strain of the campaign then took its toll despite the good coaching of Nance and the native ability of the players.

Smile when you are happy! A scene between the halves of Bison-Lambuth game with Lipscomb holding a 2 point lead.

Lipscomb was recognized as Nashville's best team, being ranked by the city sport pages ahead of Vanderbilt and Nashville league teams. The Bisons tied for second place in the Mississippi Valley conference.

COACH H. T. NANCE

Summary of the Cage Season

LIPSCOMB, 48; ALUMNI, 24

Nov. 27, 1937, at Home

This was the annual game which begins the season for the Bisons. The Bisons took the lead at the start and never relinquished it, being ahead at the half 27-14. Womack scored 19 points to lead the attack for the Bisons. Phillips was next with 11. Every man in uniform played.

LIPSCOMB, 32; LINDSEY-WILSON, 31

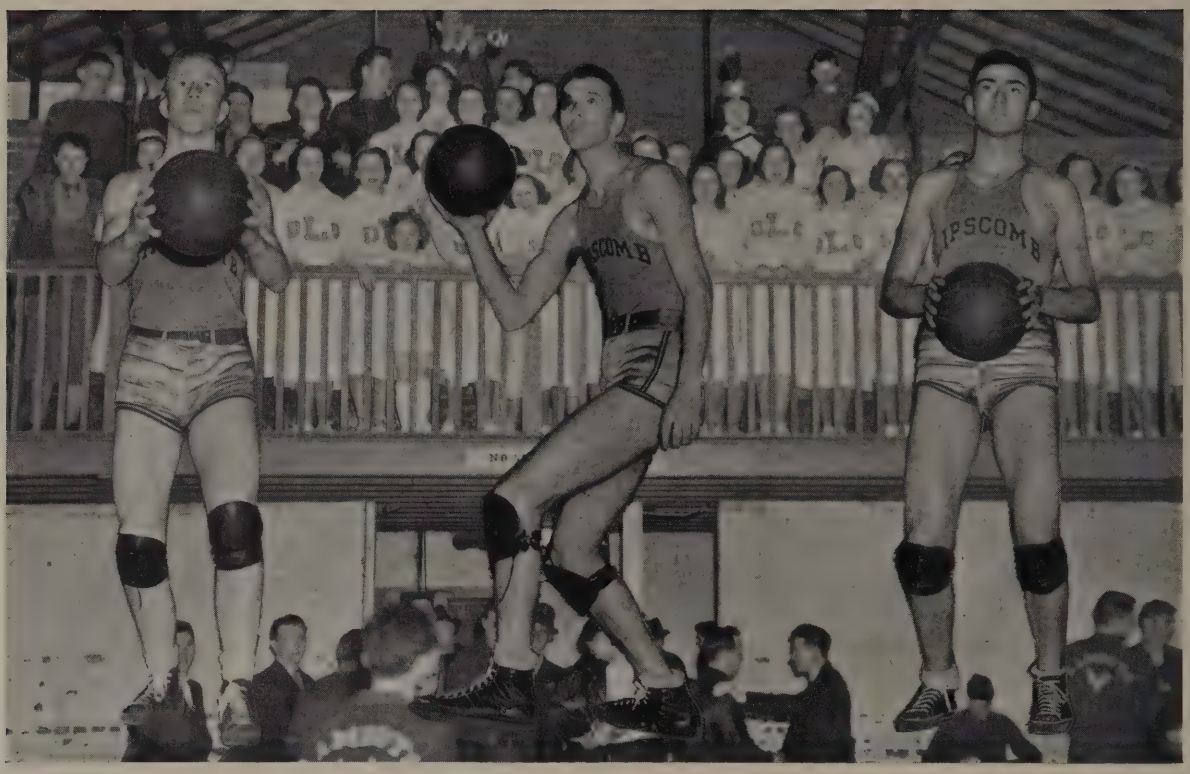

Dec. 4, 1937, at Home

Perhaps the most hotly-contested game of the season. The visitors took the lead and were ahead 18-14 at the half. The Bisons confused the visitors by changing from a zone to a man-to-man defense in the second half. Fouls were numerous, a total of 48 being permitted. McCord's long shot in the fading seconds resulted in victory. Duncan's wonderful replacement of Phillips was also a vital factor.

LIPSCOMB, 49; STATE TEACHERS COLLEGE, 29

Dec. 8, 1937, at Murfreesboro

The Bisons turned loose a zooming basket raid to smother the Raiders. Ramsey's three dazzling shots which resulted in 6 points started the Bisons' attack. Phillips, with 13, and Womack, with 11, were the leading point-makers. Buchanan did some fancy foul shooting. The game was played on the opponents' floor. The Raiders' floor-work and passing bombardment were nullified throughout the contest.

WOMACK PHILLIPS, Captain MITCHELL

LIPSCOMB, 62; BETHEL, 35

Jan. 8, 1938, at Home

The Bisons were a poor host but a perfect basketball team. The scoring was slow in starting, Lipscomb leading 18-9 at the half. In the second half the visitors were completely swamped. Phillips and Summers, with 14 points each, were the leading scorers. Womack was not far behind with 10 points. Tipps surprised the crowd with his highly dependable goal defense.

LIPSCOMB, 54; U. T. JUNIOR VOLS, 32

Jan. 15, 1938, at Home

One of the largest crowds of the season was present to witness Lipscomb's decisive triumph over the Vols. After scoring the first five field goals with set plays, the Bisons were never pressed. They held a 25-15 lead at the halftime. Womack, McCord and Phillips lived under the Bison goal, scoring 40 points among them. Tipps was the best guard on the floor and figured in the neatest set play of the season.

LIPSCOMB, 36; MARTIN, 15

Jan. 19, 1938, at Pulaski

Journeying to Pulaski, the Bisons found themselves in an unfamiliar gym and played an uninspired game. After getting off to a slow start, they pulled ahead in the last half. Phillips, with 13, and Summers, with 8, were the high scorers. This was the third conference victory.

LIPSCOMB 66; ALABAMA STATE TEACHERS, 30

Jan. 22, 1938, at Home

Led by the accurate shooting of Captain Phillips, McCord and Womack, the Bisons grabbed an early lead and made a Roman holiday for a fair-size crowd of Lipscomb fans. Buchanan and Tipps turned in neat jobs at guard. The Teachers bagged only 7 points in the second half. This was the seventh straight victory for the Bisons, four of which had been gained within the confines of the Mississippi Valley Conference.

LIPSCOMB, 47; CUMBERLAND, 39

Jan. 29, 1938, at Home

Before the largest home crowd of the season, the Bisons rallied in the last half to defeat the Bulldogs. Lipscomb scored four points as a starter, and then the Bulldogs got hot. They rang in sixteen before the Bisons again tallied. At the halftime the Bulldogs led 20-16. Mitchell scored eight points and turned in one of the best guarding jobs of the season. Phillips led the scoring with 16 tallies, followed by Womack with 9.

LIPSCOMB, 67; BETHEL, 26

Feb. 1, 1938, at McKenzie

Playing on their opponents' floor, the Bisons gave Bethel the most crushing defeat that Lipscomb was able to deliver this year. The second team played most of the first half. When they left the floor they were trailing 6-9. The regulars raised the score to 17-9 in the four minutes left in the half. Fifty points were scored in the last half. Only nine fouls were called on both teams, the lowest for the whole season. Womack, with 18, led the scoring, but was closely followed by Phillips and Summers.

LIPSCOMB, 33; U. T. JUNIOR VOLS, 44

Feb. 4, 1938, at Martin

Journeying to Martin, Tenn., the Bisons suffered their first defeat of the year. The Vols went into the lead on the first play of the game. After that the teams battled on even terms until near the close of the half, when the Vols pulled away to lead 32-18. The Bisons came within eight points of knotting the count during the second half, but the Junior Vols continued their pace to keep them in the rear all the way. Phillips again paced the team offense.

LIPSCOMB, 27; LAMBUTH, 29

Feb. 5, 1938, at Jackson

The Eagles pulled an upset in defeating Lipscomb. The Bisons played this second game in as many nights on the trip to West Tennessee. The halftime score favored the Bisons 17-13. With a minute to play, the score was tied. Then an Eagle promptly put the ball through the hoop for the winning point. Womack and Phillips were high in the point-manufacturing.

LIPSCOMB, 49; STATE TEACHERS COLLEGE, 41

Feb. 7, 1938, at Home

Returning home, the Bisons returned to their winning ways. They took an early lead and never relinquished it. In rolling up the tenth triumph of the campaign, the Bisons led 28-26 at the half. Phillips reached the season's high, scoring 18 points. Also, Womack, Summers and Tipps scored 26 points among them. Buchanan again proved himself a number-one man on defense.

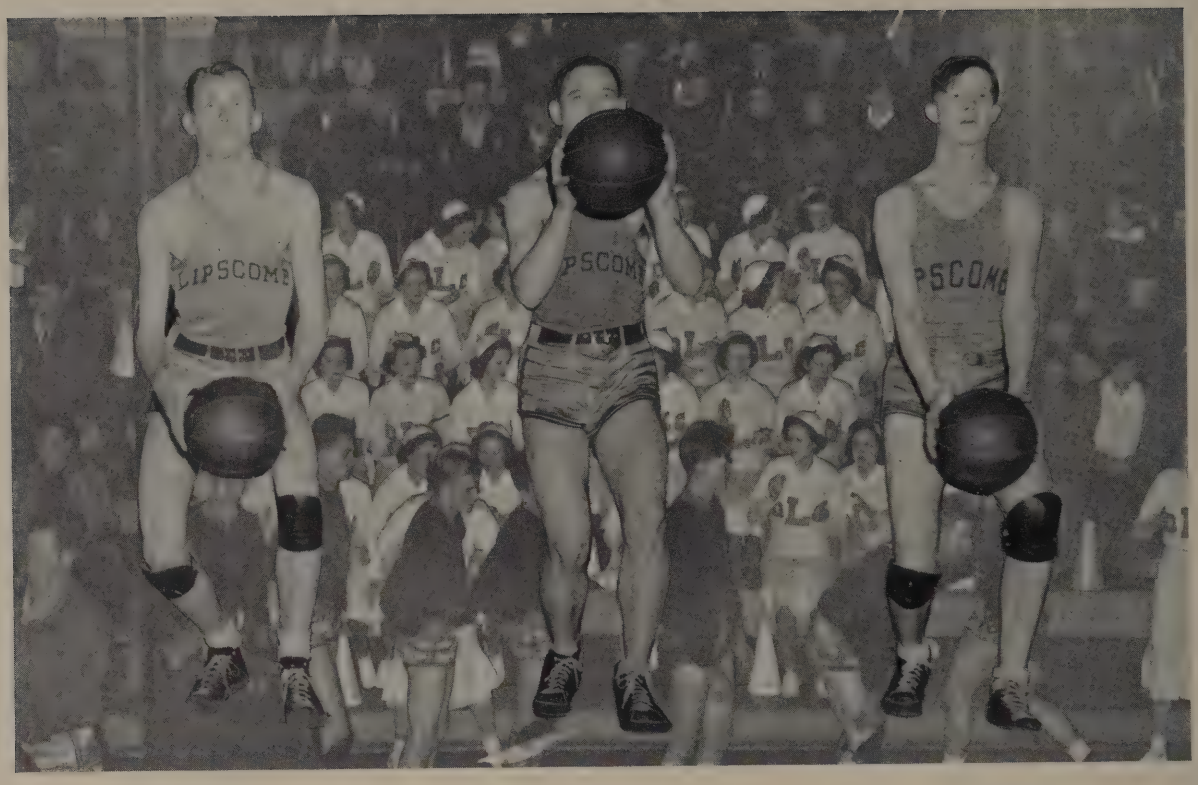

LIPSCOMB, 37; CUMBERLAND, 46

Feb. 12, 1938, at Lebanon

Traveling again! The Bulldogs, starting off strong, worked their way to a 32-20 advantage at the half. The Bisons were a different team in the second half. They held their own and gained a few points, but the Bulldogs would not be overtaken. Summers was the offensive star, totaling 13 points. Phillips and Womack were next with 9 and 8 points respectively.

RAMSEY McCORD BREWER

DUNCAN BUCHANAN MORTON

LIPSCOMB, 26; AUSTIN PEAY, 31

Feb. 16, 1938, at Home

The Bisons jumped off to a healthy start and led at one time by 10-3 and at the half by 17-15, but this is their story. The rest belongs to Austin Peay, who fell in behind Branson and Lorentson and went to town. This game produced the Bisons' lowest score of the year. Phillips led the Bisons in a hopeless cause, scoring exactly half of the total points.

LIPSCOMB, 48; ALABAMA STATE TEACHERS, 32

Feb. 18, 1938, at Florence

Playing in Florence, the Bisons regained earlier form and scored at will. A great lead was built up in the first half. With the Bisons mostly playing substitutes the last period, Florence rallied, but was unable to catch the Bisons. Womack and McCord were the offensive guns, collecting 23 points between them.

LIPSCOMB, 65; MARTIN, 34

Feb. 19, 1938, at Home

The Bisons crushed the visitors with a barrage of accurate shots. The starting five jumped into the lead and were soon relieved by the second team. The half score stood 27-15 for Lipscomb. Third stringers played 5 minutes in the second half. The regulars then returned and gave a brilliant exhibition of pass work

LIPSCOMB, 31; AUSTIN PEAY, 46

Feb. 23, 1938, at Clarksville

Journeying to Clarksville, the Bisons were defeated by the second greatest number of points for the year. After a slow start, scoring began to pick up as the first half closed. Austin Peay led 19-8 at the halftime. A last-half flurry by the Austin Peay five snowed under the Bisons. Phillips and Womack were offensive stars.

LIPSCOMB, 42; LAMBUTH, 33

Feb. 25, 1938, at Home

Concluding their current season at home, the Bisons got their revenge for the previous defeat. Led by seniors Phillips and McCord, the Bisons were in front all the way. The first half ended with the Bisons leading 16-14. Pulling away in the early stages of the last half, the Bisons coasted to victory.

LIPSCOMB, 39; HARDING, 58

Mar. 5, 1938, at Searcy

Journeying to Searcy, Arkansas, to play their annual game, the Bisons were handed the largest defeat of the season. After a slow start, the half closed in Harding's favor 23-15. Lipscomb rallied and came within one point of Harding early in the last half, but Harding pulled away rapidly. Phillips and McCord, playing their last game for Lipscomb, accounted for 18 of the points.

Review of Tournament

This season, the tournament was played at Martin, Tenn. under the direction of N. G. Denis. Lipscomb was seeded and placed in the same bracket with Freed-Hardeman. The Bisons first round opponent was Lambuth, with whom they had broken even the current season.

The Lambuth game was close from the start, the half score being 16-15 in favor of Lambuth. In the early stages of the second half, the Bisons pulled ahead for awhile but never holding more than a two point lead. However, when Phillips fouled out, bad matters turned to worse and the regulation game ended with the score tied 38-38. In the playoff, the Bisons took the lead and were able to defeat Lambuth, 44-41. Womack led the Bison scoring.

Moving into the semi-finals, Freed-Hardeman was the opponent. A large number of supporters from Lipscomb and Freed-Hardeman were present and plenty of good-natured rivalry resulted. The Bisons as the "underdogs" had the support of almost all the other spectators.

The game started off with rapidity and even scoring. At the half Freed-Hardeman held a lead of 24-23. Coming back the second half, Lipscomb grabbed and held a lead through much of the last half. The Bisons were handicapped by a heavy collection of personal fouls, several players having three each. This was the factor which in the last five minutes of the game allowed the Lions to stage their winning spurt, winning 53-41.

The two Lipscomb games were the "show" games of the tournament. The direction of the tournament and coach of the U. T. Junior Vols, declared that the Bisons displayed the greatest sportsmanship ever seen on the Martin court.

The Roster

Captain "Dabo" Phillips (center)—6′ 2″ tall, weight 176, 20 years old. Graduated from Goodlettsville High School where he lettered three years. For the past two seasons, regular center for the Bisons. He has a very excellent ability on free throws, good on one hand push shot, and makes several points on follow shots. Led scoring for the season—253 points.

Buck McCord (forward)—5′ 8″ tall, weighs 142, 19 years old. High scoring Mustang in '36. Captain of '37 Bisons and also high scorer with

McMAHAN TIPPS SUMMERS

148 points. Holds the college record of most points scored in single game—24. He is the most accurate shot on the squad. Scored 111 points this season.

Chester Womack (forward)—5′ 10″ tall, weight 169, 18 years old. Lettered four years at Dibrell High School and was selected as all-district forward for two years. Is a good long shot and also push shot. Selected on the all-tournament team for the M. V. C. Second in scoring with 203 points.

George Summers (forward)—5′ 7″ tall, weight 164, 21 years old. Graduated from Centertown High, where he lettered two years. Also, selected on all-district team for two years. He is one of the trickiest players on the squad. Most of his points come on crip and follow shots. Third in scoring with 159 points.

Lee Mitchell (guard)—6′ tall, weighs 166, 19 years old. Four year letterman from Dibrell High. For four years selected on all-district team. An excellent long shot, making his best points that way. His guarding in the Cumberland game was best guarding job turned in this season. Played in all but three games, scoring 41 points.

Eldridge Tipps (guard)—5′ 9″ tall, weighs 160, 19 years old. Hails from Blanche High, where he lettered for four years. He was selected on the all Lincoln County team in 1935. His excellent ability of taking the ball off the backboard was a great asset to the team. He was able to score 65 points for this season.

Arthur Buchanan (guard)—5′ 10″ tall weighs 170, 19 years old. Graduated from Chattanooga City High. Although his offensive was not so great, he was a good defensive man. In the Freed-Hardeman game his guarding was very good. He scored 43 points for the season.

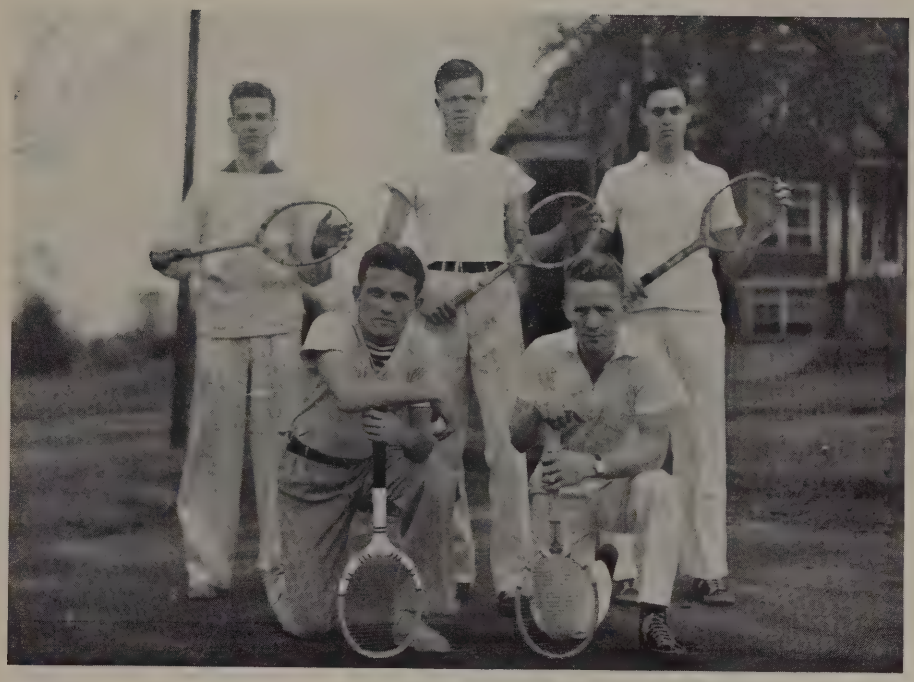

Gray Duncan (center)—6′ 1″ tall, weighs 167, 19 years old. He lettered at Hickman County High School for two years. His greatest accomplishment for this season was the replacement of Phillips in the Lindsey-Wilson game. Phillips fouled out early leaving Duncan to carry a great responsibility. He scored 11 points for the season.

Schumann Brewer (guard)—5′ 8″ tall, weighs 146, 20 years old. He was a Mustang for four years, a member of the very excellent Mustangs of '36 and '37. He is a good handler of the ball.

Joe Ramsey (forward)—5′ 7″ tall, weighs 156, 21 years old. A graduate from Boonshill High School, where he lettered three years. His three dazzling shots in the State Teachers game broke the heart of the opposition. His offensive was good for 22 points.

The 1938 Bison Netters

With practically all of its members experienced in racquet wielding, the boys' tennis team played a full collegiate schedule during the spring. Five out of six of its members were seniors who had seen service last year on the Bison squad. Ability and experience as well as good sportsmanship were characteristic of every member of the group.

Front Row: McCord, Moore; Back Row: Boyce, Morton, Evans

Robertson, Tate, Taylor, Judd, Griffin, Coach Lanier

Although all members of the 1938 girls' team were freshmen, they came through in remarkable style, winning their share of matches with other colleges. But still more notable was their fine spirit in victory or defeat. Judd and Griffin both played excellent tennis throughout the season.

The Bison Baseball Season

Catchers: Tipps, Harwell.

Out-fielders: Sidwell, Geer, Buchanan, Lemons.

In-fielders: Rollings, Summers, Sweatt, Snodgrass. In front: Collinsworth.

Coaches Neil and Pullias opened baseball practice March 28. Twenty-five candidates reported, but before the week was over, the squad was cut to 19. Suits were awarded to 16 players.

The first scheduled game, with Illinois Wesleyan, was not played due to the cold weather.

The season was opened with Austin Peay on the latter's diamond. After losing the first game 7 to 3, the Bisons returned strong to win the nightcap 7 to 1. The second game featured the excellent pitching of "Mayor" Williams.

The schedule for the remainder of the season included two return games with Austin Peay. Four games were played with State Teachers College. In addition they divided a doubleheader with Lambuth, winning the first game 11-3, and dropping the night-tilt, 2-3.

The Roster

CATCHERS—

JIMMIE HARWELL: Throws and bats from the natural side. Has a good throwing arm. One of the best hitters on the squad. Played left field, third base, and caught some during the past two years as a Mustang. His constant chatter gives life to the team.

ELDRIDGE TIPPS: Throws right and bats left. Listed as a catcher but will see some service in the outfield. He is a dead right field hitter. Very valuable to the squad.

PITCHERS—

"LEFTY" VICKERY: Throws left and bats right. Has good control and a nice assortment of curves. He has been playing baseball since he was 12 years old. He should turn in some victories for the Bisons.

"MAYOR" WILLIAMS: Throws left, bats right. He has the best control of any pitcher on the squad. Pitched for the Mustangs for the past two years. He has a good motion which makes his pitch very deceptive.

LEE MITCHELL: Throws right, but bats from the left side. His best pitch is his fast ball. Has a very quick delivery, constantly catching the batter in an awkward position.

HOUSTON ITIN: Throws right, bats right. A member of last year's Bisons, playing right field. He has fair control and the best delivery of any pitcher on the squad.

WILLIE LEMONS: Throws and bats right. He has more on the ball than any other pitcher. His control is fair.

INFIELD—

ASHLEY ROLLINGS, First base: Throws and bats right. A good fielder and a fair hitter. Has a good ability of picking up the low throws.

GEORGE SUMMERS, Second base: Throws and bats right. He is better known for his brilliant play in basketball. He is a fast fielder and fair hitter. Coupled with Sweatt, they make a double play combination which is hard to beat.

BILL SWEATT, Shortstop: Throws and bats right. He is a classy fielder and a consistent hitter. He is one of the fastest men on the squad and his speed will help him in stealing bases. His numerous stops will give any pitcher a great relief.

JAMES SNODGRASS, Third base: Throws and bats right. He is one of the few Bisons that has had much experience as a baseball player, having played on American Legion teams. He has a good throwing arm.

JACK COLLINSWORTH, Utility: Throws and bats right. He can play either second or third base. Will see plenty of service during the season.

OUTFIELDERS—

CHARLES GEER, Centerfield: Throws right but bats from the portside. He is fast, has a good throwing arm and is an extra base hitter. His long drives will send several runs across the platter.

ARTHUR BUCHANAN, Leftfield: Throws and bats right. Has a good throwing arm that will ruin all chances for an ambitious runner. He is a fair hitter.

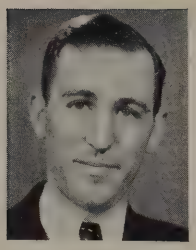

MILTON SIDWELL, Rightfield: Throws and bats left. He is the most improved player on the squad. His batting eye is very good, and he can really paste that ball. His line drives will enable him to be tops in the batting percentage. Also plays first base.

Pitchers: Itin, Mitchell, Vickery, Williams

Coaches and Managers: Shirley, Neil, Pullias, Gandy

COACH NANCE

The Mustangs on the Gridiron

Coach H. T. Nance took over the reins of the Ponies for the first time. Although they did not win many games they scored the greatest number of points that any Mustang football team has been able to register. Greatest recognition of football ability on the eleven was won when "Little Nick" Gunn gained 295 yards in the Antioch game. He was selected on two weekly all-city teams and was rated the third best quarterback in the city. However, loud the praises ring for Captain Gunn, louder should they ring for Milton Sidwell. It was Sidwell's excellent blocking which started Gunn on his long runs. Numerous times two and three men were blocked at one time by Sidwell. Joe Ijams also received all-city rating the week he blocked two Mt. Juliet punts which were converted into touchdowns.

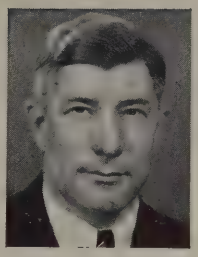

After losing the first four games, the Mustangs' defense began to hold better. This was their weakest point the entire season. Playing on the home field, they won games over Antioch and Mt. Juliet. However, the next two games played were lost on the visitors' fields. They concluded the season with a 25-0 victory over White Bluff. Eleven seniors played three full quarters of the game: Geer scored the last touchdown on the final play of the year.

COACH BATEY

The starting eleven, composed entirely of seniors, defeated White Bluff 25 to 0. Playing their last game amidst snow flurries and in a bitter cold wind, the Ponies crossed the enemy goal line once in each period.

Lipscomb kicked off to the White Bluff 15 yard line, and the ball was brought back to the 24. Two plays later, a White Bluff put was blocked by one of the visiting team's own men, Kennedy covering it on the 23-yard stripe. Two running plays and a pass to Sidwell by Geer made it first down on the 10-yard line. Jackson ran wide around right end for the first tally. The place-kick went wide.

In the second quarter Captain Gunn took the ball on the White Bluff 40-yard line and by beautiful broken field running raced over the goal line. A fake placement turned into a pass to Geer for the extra point.

Sidwell entered the scoring picture in the third quarter. Sweatt, tackled after taking a toss from Gunn, flipped the leather on a lateral to the fullback who crossed the goal line The try for extra point failed.

The Mustang Cage

The Mustangs played three games before the holidays, winning over Dibrell and holding the highly talented Bellevue team to a one-point victory. In a great majority of their games, the end of the third quarter would find the Mustangs ahead by two or three points. Returning after the holidays, the Mustangs won five and lost 12. The loss of five out of six games made them the underdog in the Cumberland contest. However, the underdog hit in a thrilling game and Lipscomb won 24-21. The squad was a happy bunch after that victory.

After losing two close games, the Mustangs defeated Wallace 41-30. But three games were dropped before they again won. This time they defeated Cohn 37-24. The regular schedule came to a climax in the final fray when West was defeated 27-24. In this game Sweatt scored seven points, which resulted in the Nashville Tennessean's announcement that he had won the city scoring title by five points, M. Smart being his closest rival.

Entering the district tournament as an underdog with no chance of victory, the Mustangs

made a wonderful showing. On Wednesday night West was defeated in a very thrilling game 22-20. Thursday night Litton defeated them after a bad third quarter for the Mustangs. The Mustangs were highly complimented on their team work and fighting spirit.

The Mustangs showed more fight and spirit than their won and lost record would indicate. Several of their losses were by margins of only three or four points. This year's Mustangs scored 615 points for an average of 30.8 per game. They made 239 field goals to 270 for their opponents. Lipscomb was charged with 262 fouls and the rivals with 260. The C. M. A. game was the roughest, when 39 fouls were called. The Lewisburg game saw the least number of fouls committed, 15. Lewisburg also was charged with the smallest number of fouls in a single game, five. Lipscomb committed only six in the M. B. A. game and the same number in the Wallace game.

The High School Net Teams

Youree, Hembree, D. Scobey, Boyce, L. Scobey

Ushering in the 1938 tennis season with victories over Litton and Hume-Fogg, the Mustang netters came through with a very successful season. Home matches were played with East, Central, B. G. A., and M. B. A. "Wu" Boyce, Scobey and Jack Horn returned from last year's team. To this trio Lloyd Scobey and Howard Youree were added.

In addition to entry in the interscholastic tournament the girls' tennis team played several matches with local teams, including two contests each with West and Litton. The coaching was handled by S. T. Lanier, who returned to coaching duties after an absence of two years.

INTRAMURAL SUMMARY

An extensive intramural program was in progress during the entire year for Lipscomb students. The main purpose of the intramural program was to provide healthful recreation for all students. The program consisted of a wide variety of athletics in order to include as many participants as possible. Included in the setup were touch football, tennis tournaments, softball, volleyball, horseshoes, a four team basketball league that ran during the winter months, and track events for boys. The girls' athletics consisted of softball, basketball and volleyball tournaments, tennis, shuffleboard, hiking, and track events. At the conclusion of the school year, school letters and medals were given to the students who totaled the highest number of intramural points during the year. Due to lack of space, only the tournaments which attracted the largest number of participants will be reviewed—namely, boys' touch football and basketball, and girls' volleyball and basketball.

COACH BOYCE

TOUCH FOOTBALL

Three teams were included in the touch football tournaments. The games were closely contested throughout the tournament. At the conclusion of the tournament the teams captained by McLeskey and Mullican were tied for top honors. This necessitated a playoff between

the two teams, which resulted in a seven to six victory for McLesky's team.

GIRLS, BASKETBALL

The girls' basketball tournament, held during the winter quarter, saw four equally divided teams scrap for victory. The team captained by Tate proved to be the best, winning all its games. Led by Grizzell, who scored 44 points in a single game, they literally smashed the opposition for six victories. A special game was played to decide the positions of the teams in the lower standings. Much friendly rivalry existed between each team and all games were interesting.

GIRLS' VOLLEYBALL

The volleyball tournament, played in the late fall, resulted in one of the closest intramural tourneys of the entire year. Seventeen games were played, Dorris' team winning nine, just enough to clinch the title. The interest shown in this tournament indicates that volleyball is one of the most popular sports for Lipscomb girls.

BOYS' BASKETBALL

The boys' basketball tournament aroused a great amount of interest. The Tigers were the winner, suffering only one setback, that by the Blues. To climax the tournament, the all-star team that was chosen played the Burk Terrors of the city league two games. After leading most of the way in the first game, the all-stars collapsed, and the Terrors won 44-40. The game was returned in the Peabody gym with the Terrors winning easily 69-34.

The five highest scorers of the tournament and their respective points were: Whitis 56, Stone 42, Snodgrass 41, Haile 35, Martin 30. Most of these formed the nucleus of the all-star team.

The D.L.C. Pepettes

Under the able leadership of Captain Dot Rose and the assistance of Sponsors Glass and Bell the most successful season in Pepette history was climaxed by the biennial trip to Harding College, Searcy, Arkansas, in March. They received a hearty welcome from Harding students and were entertained with an informal reception Saturday night after the game and an outing Sunday afternoon. On the return trip stops were made at points of interest.

Again elected on the basis of personality, pep, scholarship, and character, the Pepettes were selected by a new system this year. Candidates for the pep squad were nominated by the student body. The candidates then drilled for three days in the gymnasium, after which the athletic committee selected those they thought best suited to represent Lipscomb on the floor.

Jean Shields and Betty Gregory filled the cheerleading positions and Veranne Hall turned in a neat job as mascot.

The David Lipscomb College Press Club, organized in 1935, draws its members from the business and editorial staffs of the BABBLER and from the employees of the BABBLER PRESS. Members are admitted quarterly after meeting minimum entrance requirements. The college "L" is awarded to members who do outstanding work. The club has raised money for the purchase of printing equipment, their latest addition being a cutting machine. At the annual banquet in 1938 the club set as its new objective the purchase of a linotype machine.

ALL STUDENT BOARD

By the commendable work that the Board has accomplished during the past three years the All-Student Board has proven itself indispensable.

In the early part of the school year the President of the All-Student Board is elected by students of both college and high school. The rest of the board is made up of the campus leaders and representatives of outstanding organizations on the campus.

The Board is empowered to handle student elections and serves as an intermediary between faculty member and the Lipscomb student body.

ELAM HALL COUNCIL

The function of the Student Council of Elam Hall is to promote mutual understanding among students and between teachers and students. "Do Right" is the paramount rule in Elam Hall, and every effort is made to have students wisely follow this rule rather than be forced to do so. The Council has an important educational purpose in that it trains young men for leadership. It has as its aim: Better orientation of all students into Lipscomb life, the promotion of harmony and happiness throughout the year among those who live on the campus, to advise with the administration and with the boarding students in an effort to make Lipscomb life and living conditions as ideal as possible, and to perpetuate the original ideals on which David Lipscomb College was founded.

The Lipscomb Larks Club is one of the most enjoyable and friendly of the many organizations on the Lipscomb campus. Each Saturday the group, which consists of students from both freshman and senior classes in college, meet and sing old and new favorites. Anyone who loves to sing is invited to attend, their motto being, "The more we get together the happier we'll be."

THE COLLEGE CHORUS

All students who have general musical appreciation find that membership in the mixed chorus gives pleasant experience. Musical tastes are satisfied in the varied selection of songs. At intervals through the year the chorus held a prominent position on the school calendar. The group made occasional appearances on the weekly radio broadcasts, and the climax of the winter quarter was the successful presentation of the operetta, "The Singer of Naples," with Erle T. Moore in the leading role. The work of the spring quarter was concentrated toward the presentation of a public concert, the first ever given by the Lipscomb chorus.

MEN'S G

THE MEN'S GLEE CLUB

"Seven-thirty Monday morning, boys," smiles the very congenial young conductor, Mr. Neil, as the boys file out the door. This, the typical end of every rehearsal, is very suggestive of the extra effort on the part of every Glee Club man to make the club successful.

Aided by "Uncle Bob" and Miss Ellen Williams, their proficient accompanist, they attained a standard of musical excellence which David Lipscomb College is justly proud to exhibit.

Their ultimate goal for concert, Chattanooga, was reached March 10, and a highly successful program was given there. The club also gave successful concerts at various high schools in Tennesse, Alabama and Kentucky.

THE FOUNDER'S DAY ORATORS

January twenty-first of each year is set aside for the express purpose of commemorating the birthday of one of the founders of David Lipscomb College. Six orators, who have been chosen by elimination, compete on the evening of this memorable day for the Founder's Day medal. Andrew Morris received the 1938 medal.

Morton, Mullican, Itin, Netterville; Last Row: Robertson, Ramsey, Rout, Strode, Tait, Underwood, Whitesell, Whitis, Williams, Grimes, Shorrill.

The Dramatic Club holds as its purpose and aim the development and training of stage performers. To accomplish this goal the club had as its major study play production.

During the fall quarter the dramatists staged the three-act melodrama, "Song of My Heart." In the winter season a large group of one-act plays was produced. In the spring quarter weekly meetings which were open to the public were held each Friday night. These programs presented varied entertainment in readings, plays and instructive lectures.

Jackson, Sidwell, E. Williams, Gunn.

The Nashville Club is composed of both college and high school students who live in and around Nashville but who are not boarding students. The club has for its aim the development of friendship among Nashville students. This aim affords the day students the advantages gained by the boarding student in the dormitory clubs. Through various entertainments, including out-of-door gatherings, this feeling of good will among "home-town" folks has been accomplished.

The purpose of the International Relations Club is to create an interest in foreign affairs and study the particular part each individual must play in order to cope with forth-coming situations.

In the bi-monthly meetings, problems of world-wide interest were discussed by the students and Mr. Parks, the faculty sponsor. Special speakers appeared on some of the programs, and the public was invited to attend the lectures. In March delegates attended the Southeastern I. R. C. conference at Vanderbilt University.

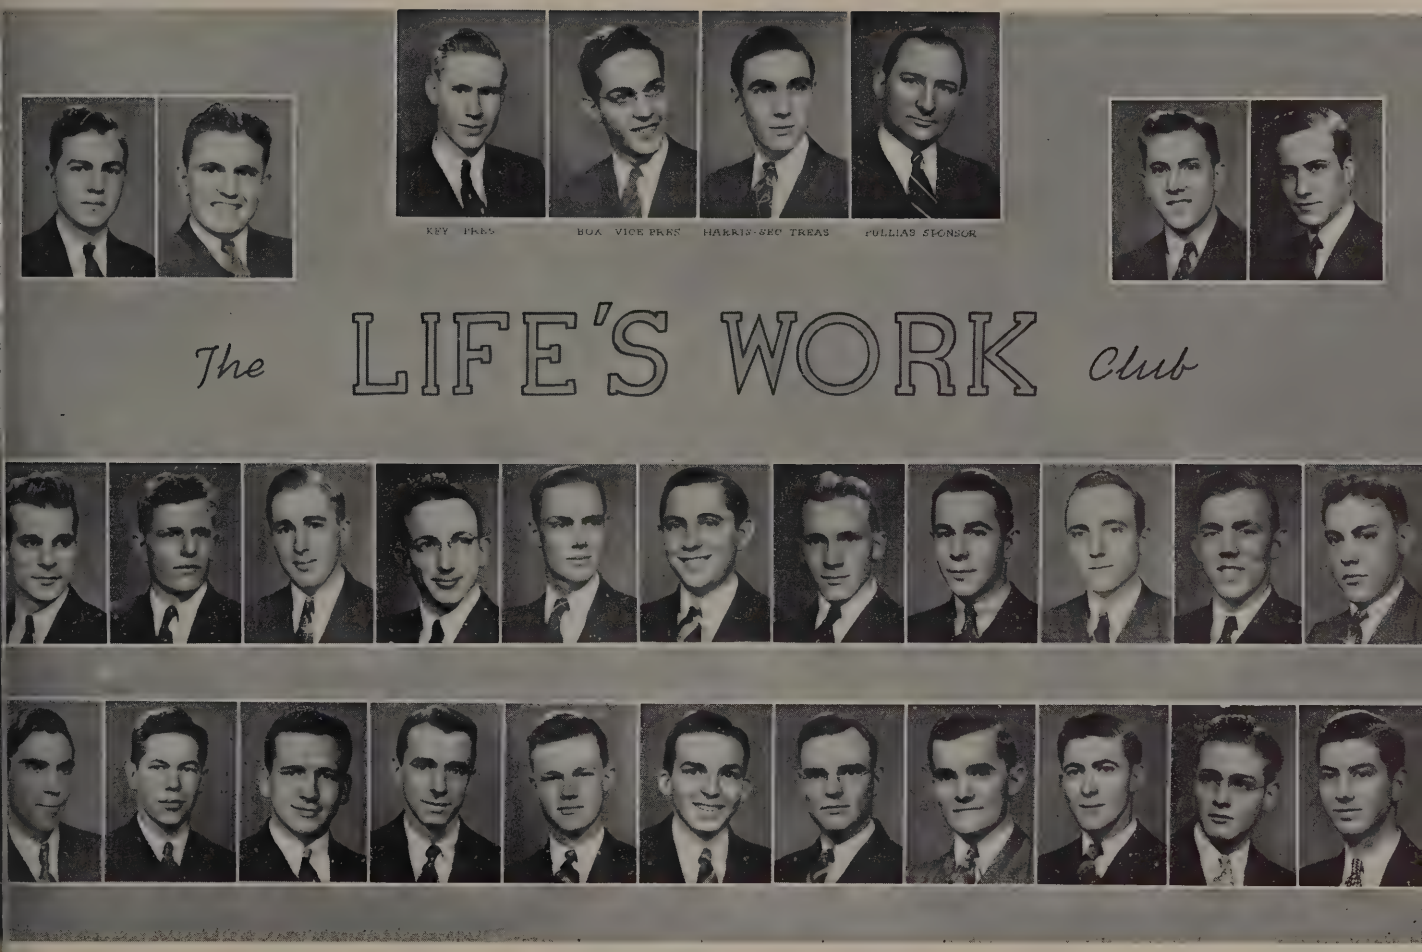

Approximately seventy-five books on the study of international relations have been given to the I. R. C. by the Carnegie Endowment for International Peace. These books have been placed in the library for public use.

THE CAMERA CLUB

The Camera Club offers a pleasant recreation to both students and faculty members in their leisure time. To stimulate an interest in and give an elementary working knowledge of photography is the purpose of the club. It also cooperates with the BABBLER and 'BACK-LOG staffs in giving its immediate service and obtaining more and better pictures for their use. This is the second school year the Camera Club has existed and we believe the activities of the club merit its continuance.

Feeling the desire and urge to serve and wishing to fan the flicker into a steady flame of burning zeal, a group of young men began a movement to increase their own faith, their love for the Master, and their interest in His children. The name suggests the club's nature and character.

There are no requirements for membership except an abiding interest in the principles of Christianity. It is the hope that from this group will come leaders, Bible school teachers, Gospel preachers, many who will follow other honorable walks in life, but most of all—Christian men.

"Therefore all things whatsoever ye would that men should do to you, do ye even so to them." Again, "A soft answer turneth away wrath: but grievous words stir up anger." For a better and active realization of these and other principles in human relations the Forelog Club was organized. Its purpose is twofold—temporary and permanent. Proposing primarily to deal with the problems freshmen inevitably meet in adjusting themselves to the college environment, it also delves into the practical application of the same psychological principles to similar problems in post-college life. In this way the Forelog Club hopes to enable its members to gain influence and persuasive powers and thus make a greater contribution to the total happiness of mankind.

The Home Economics Club is open to all college girls that are interested in any phase of home economics work. Many of the members are not taking home economics but enjoy the club work because of their interest in their own personal appearance and in their homes. At club meetings girls have an opportunity to discuss their problems, to help plan club activities and to take part on the programs. At the beginning of the year the club decided to have some project that would help in making their own clothes. It was decided that everyone would learn to knit.

THE LIBRARY CLUB

The nucleus of the Library Club is made up of students working in the Library, but the club is open to any student interested in library work. This year the club has endeavored to acquaint its members with small details in the library. With this in mind, at the monthly meeting, the card catalogue, Readers' Guide, the Dewey Decimal System of Classification, some special reference books, and the Library of Congress have been discussed. The club plans to visit some of the outstanding libraries of the city and study their plans with the hope of improving our own library.

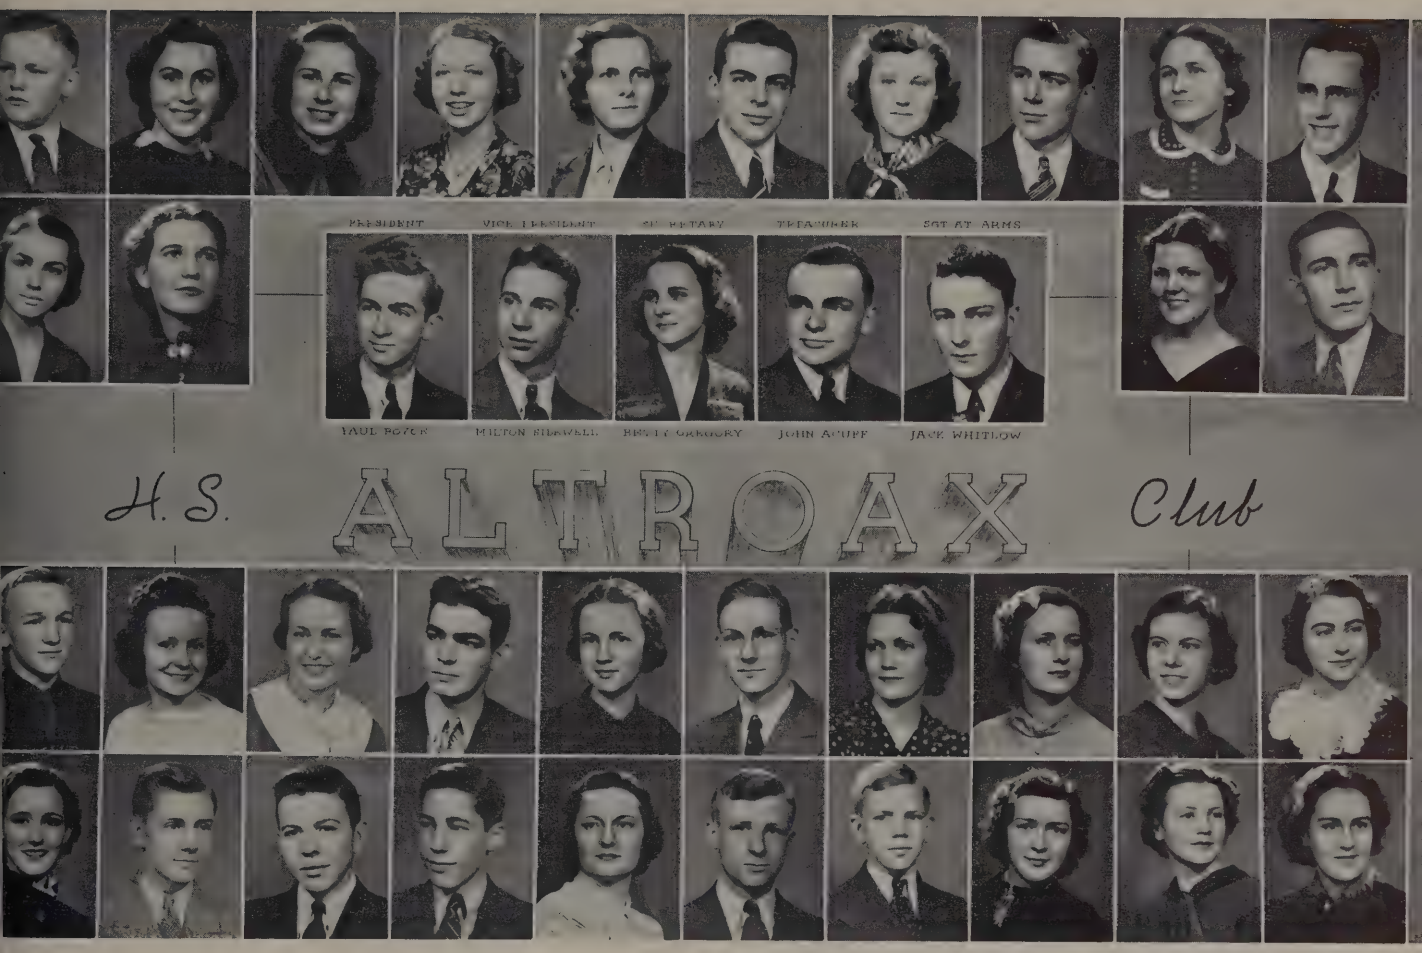

THE DYNAMACS CLUB

Top Row: J. L. Jackson, Collier, Cooley, Corlew, L. Cullum, V. Cullum, Grayson, Gunn; Second Row: Williams, Eslick, Shields, C. Jackson, Hunt, Sweatt, Hembree; Third Row: Hite, Horn, Clayton, Jones, McBride, McSwain, Menefee, Whittaker; Last Row: Perry, Head, Scobey, Porch, Sparkman, Morton, Williams, Winstead.

The Dynamac Club is one of the two literary clubs organized in the high school department under the direction of the principal, Mr. Hamrick. The purpose of the club is to create a true competitive spirit by contests between the two clubs. Various literary and social activities were held during the year. In the spring a field and track meet was held in which both boys and girls participated. The two clubs, Altroax and Dynamac, were organized at the request of a number of students who held membership in similar organizations here two years ago. Participation is voluntary.

Top Row: Brown, Bryant, Campbell, Comer, Douglas, Eslick, Evans, Exum, Francis, Goodpasture; Second Row: Gregory, Hargrove, Boyce, Sidwell, Gregory, Acuff, Whitlow, Holmes, Hooper; Third Row: Ijams, Major, McMann, McCormack, McMahon, McMurry, Morton, Orr, Perry, Pickel; Last Row: Rambo, Sanders, Scobey, Sewell, Steed, Tomlinson, Vigsdorth, Wakefield, Warmath, Williams.

The Altroax Club, organized during the winter quarter, was for sometime without a name, being known as "Group No. 1." Later the club chose the name Altroax, which means "helping others."

This club along with the other high school organization, the Dynamac, was formed for the purpose of promoting a better balanced program for high school students. The activities of these clubs include not only literary but athletic and various other forms of entertainment.

THE LIPSCOMB DEBATERS

This year there were three debating teams, two boys' teams and one girls' team. This is the first year Lipscomb has ever had a girls' debating team. All three teams are composed entirely of freshmen, and they will make up the debating teams next year. The six debaters won their letters this year. The club was coached by Mr. L. O. Sanderson, and the debaters express their appreciation for his unfailing loyalty, his hard work and his sympathetic understanding.

The question debated this year was: Resolved that the National Labor Relation Board should be empowered to enforce the arbitration of all industrial disputes.

LIFE

THE G.T.A. CLUB

With "Hail, Hail, The Gang's All Here" the Gamma Tau Alpha was initiated this year into the ranks of Lipscomb's Sewell Hall dormitory clubs, with the attitude of its members expressed in its motto "While we live let us live to some good purpose." Thirteen girls make up the club. Unlucky? The girls say "nay." On February 22, the club entertained with a dinner and theatre party. In the spring the girls were guests of Karleen Bullington at a week-end party.

THE T.N.T. CLUB

The T. N T., Lipscomb's oldest social club, holds as its motto "True-Blue, Noble, Trustworthy" and has for its aims to develop leadership, cooperation and loyalty to Lipscomb ideals as well as to have good times together. The club projects for 1937-38 included the refurnishing of the "T. N. T. corner" in Sewell Hall. The social functions were a Christmas party, theatre party and the annual T. N. T. banquet.

THE D.D.D. CLUB

The D. D. D. Club was organized in the fall of 1936. It consisted mainly of freshmen with a senior, Josephine Plumlee, as president. Mrs. Nance, who was at that time Miss Christine Binkley, was chosen as sponsor. The club has as its aim the creating of social recreation under faculty supervision. It has engaged in both regular meetings within the dormitory and special functions without.

THE S.A.M. CLUB

The first meeting of Sigma Alpha Mu was held on October 29. The sponsor, Miss Bell, presided over the election of officers. Some of the aims of the club are to make Lipscomb a better place to live, to cultivate an attractive personality, and to set a good example for others by cultivating high ideals. In the fall quarter the club was the guest of Mrs. E. O. Coffman at a picnic at Centennial Park, During the winter quarter guests were entertained with a theatre party. In April our president, Imogene Coffman, entertained the club with a house party at her home in Lawrenceburg.

THE B.K.N. CLUB

The Beta Kappa Nu Club, one of the oldest of the social clubs, grew out of an old club and took its present name in 1932. The club is made up of ten members and its sponsor, Miss Draper. One of the main objects of the club is to develop the social qualities of the girls. Each year it has been the custom for the club to have a formal dinner, an informal party, and a picnic. This year the formal was at the Hermitage Hotel.

I have enjoyed knowing you lots.

THE J.U.G. CLUB

With a new title this year the high school club celebrated one of its most successful years in 1938. The motto of the club is "Fun or Else." The colors, black and white, prevail as the color scheme of the club sweaters. In the latter part of the winter quarter the club gave a picnic. The club meetings have been a source of many pleasant hours to all those who attend.

THE K.P.G. CLUB

The chief objective of the K. P. G. club is to uphold the ideals of David Lipscomb College. Its members are leaders in promoting a better spiritual atmosphere and in upholding the moral standards of the school. The club includes in its ideals the spread of good will throughout the dormitories. The social activities of '37, '38, besides bi-monthly meetings, consisted of a party at Sewell Hall and a picnic at Williams' farm.

THE Q3 CLUB

The Q3 Club started off with a bang! Every member is loyal to the gang, although our club was organized just this year. We have for our motto loyalty and cheer, with happiness and good clean fun purchased at the expense of little money. Though our parties have been few, they were enjoyed by the entire crew. Much to our joy on Valentine we did on frozen suckers dine. We all fooled all on all Fools' Day and served cotton candy dressed up gay.

LIPSCOMB-HARDING

The friendship of these two great founders of Christian education, David Lipscomb and James A. Harding, is carried on in the associations and glorious service of the two institutions which bear their names. Students of Lipscomb find at Harding the warmer welcome because the two schools are bound together by the common ideals of these great men.

STANDARD DEGREES-PROFESSIONAL TRAINING

The work at Harding is fully accredited, leading to authorized B.A., B.S., and B. Music Degrees. Students may major in any of nineteen different fields. Thorough teacher training with latest techniques. We attempt to find the work for which each student is fitted, and direct him into the right training. A placement service is maintained, connected with school systems and industries with national connections. Harding graduates are employed.

HEALTHFUL RECREATION-MODERATE COST

Let's Talk Frankly, Dear Girl, About....

COLLEGE, What Choice It Involves!

No stranger can read your pictured countenance without believing in your excellence. You are a type of the best girls of our nation. Your eyes are filled with the dreams of what you hope to be. Very soon now you will begin your college education. Choose carefully, for you invest parent sacrifice, precious years, and all that you are.

Must You Choose More Than a College?

Yes, a new view of life! David Lipscomb and "secular" colleges look at life from almost opposite viewpoints. In choosing Lipscomb, you choose Christian education. If you go to a secular college, it means Christian "de-education."

Education or De-Education?

The "Secular College" deals only with this world. It emphasizes knowledge, material research, profession, vocation—entirely separate from spiritual, religious values. The Bible is omitted from the curriculum. The professors may be even critical of Christian faith. In such atmosphere religion appears to be of no great consequence.

Lipscomb holds that a college must educate for eternity—that knowledge, research, profession have permanent values because they project their shadows into the world beyond. "Secular" and "religious" are inseparable. Neither man nor the universe has any proper meaning except in the light of the spiritual. Education which omits the spiritual is pagan, destructive.

BIBLE INSTRUCTION FOUND INADEQUATE

BLOOMINGTON, Ind., Aug. 7.—(AP)—Moral and religious instruction in America's schools is "totally inadequate," Dean H. L. Smith of the Indiana University school of education, said today after making a nation-wide survey.

"There is growing up a generation lacking in necessary religious and moral qualities," he asserted.

The survey, conducted by Smith and the university's bureau of cooperative research, showed, he said, that only a few states require Bible reading. Bible courses or character courses.

"Perhaps the most disconcerting result of the study of character development work in the public schools," said a report of the survey, "is to find that, although teachers and administrators of schools readily admit an interest in character training and evidence a sincere concern over the moral welfare of our youth, they nevertheless are hesitant to inaugurate or to carry out any definite teaching on the subject.

At the Center

Lipscomb has set at the center of its curricula the Bible. From it all other courses take on meaning. Without it education is warped and incomplete.

Each student must study the Bible every day. Perhaps no other American college makes this requirement. Such is the emphasis God's Word receives. Lipscomb's Bible teachers are sound, unbiased, scholarly. They teach the Bible as the Revealed Will of God, opposed to worldliness, materialism, humanism, modernism, and premillennial speculation—and for **what it helps young people to become,** in attitude, ideals, conduct, character, and service.

Lipscomb Is Different!

You will find here almost everything in a curricular or extra-curricular way which you will find as a freshman or sophomore at other colleges. You will find something which they **do not offer.** Your faith will grow with your knowledge of science and society.

Choose Today! Realize Your Dream Of What You Can Be at....
